

Laura J for jaded in sunny Queensland

It goes without saying that soaking up the incredible islands in the calm, clear waters of Queensland's Whitsundays is everyone's dream. But now you can realise as much aboard the luxury 90-footer Laura J charter motoryacht.

Laura J is cruising the Whitsundays from September to November before making her way to the Broadwater, Gold Coast, for the 'party season,' where she will be available for corporate functions, Christmas parties and New Year's Eve.

The Laura J is stabilised and designed to offer the ultimate in cruising comfort. She is a 90ft Norman Wright & Sons motoryacht accommodating up to eight guests in three staterooms. Guests are said to enjoy luxurious and meticulously designed quarters with comfort and privacy.

The master stateroom is said to be well appointed and spacious, with queen-sized bed, walk-in

wardrobe, private en suite and spa bath, while there are two guest staterooms — one with a queen-size bed and the other with a double bed — each with en suite. All staterooms have separate air-conditioning and there is optional space for two more guests in the forward cabin bunks.

Laura J has a spacious saloon furnished in plush Australian

timbers and leather, elegant lighting and state-of-the-art audio visual systems intended to delight the most discerning guests. You also get to enjoy your dining experience in either the candlelit intimacy of the formal dining room, or outdoors under the stars.

Booking agents for Laura J is Grant Torrens International Marine Charter Division, which describes the onboard cuisine

as world class, prepared by a fully qualified chef, and backed by a cellar of wines designed to complement the menu.

For further information on chartering the Laura J contact Sharon Torrens and Nicole Allen on (07) 5577 2299, 0414 487 868, email: charter@granttorrensmarine.com.au or visit www.granttorrensmarine.com.au
